Target Audience:

This course is designed for Internationally Educated nurses who speak English as a second or third language, and are required to provide their English language proficiency test results for employment purposes.

What does the course cover?

The course will help the participants to improve their English language skills – listening, speaking, reading, and writing, and prepare them to write the CELBAN exam. Strategies, tips, mock tests, and skills in test-taking will be covered during the training.

Outcome:

At the end of the course, participants will be equipped with sufficient knowledge and hands-on experience in writing the test.

Note: This course is delivered in partnership between Success Skills Centre and E-Star Winnipeg. At least four participants will be needed to start any course. Separate tutorials are available based on request.
